## Have you picked up your Summer Tour booklet from the Library?

Pick up your Summer Tour booklet at the Circulation Desk in either building. Visit any of the libraries listed in the booklet through August 31. When you visit a library, find the unique artifact on display, write what it is in the space provided, and show your booklet at the library's Summer Stamp Station to receive a special stamp. On the tour you will see new sites, explore new libraries, and have the chance to be entered into exciting raffles!
