

This is My Library: Northport Public Library

**When I enter the library,
I come in with my quiet voice.**

**I can use the elevator or the stairs
to get to the Children's Room.**

This is the Children's Room.

Now I am in the Children's Room.

I can play, read, or relax here.

I can go to this desk and ask a librarian to help me if I need anything.

I can look for books.

I can look for movies, music, and video games.

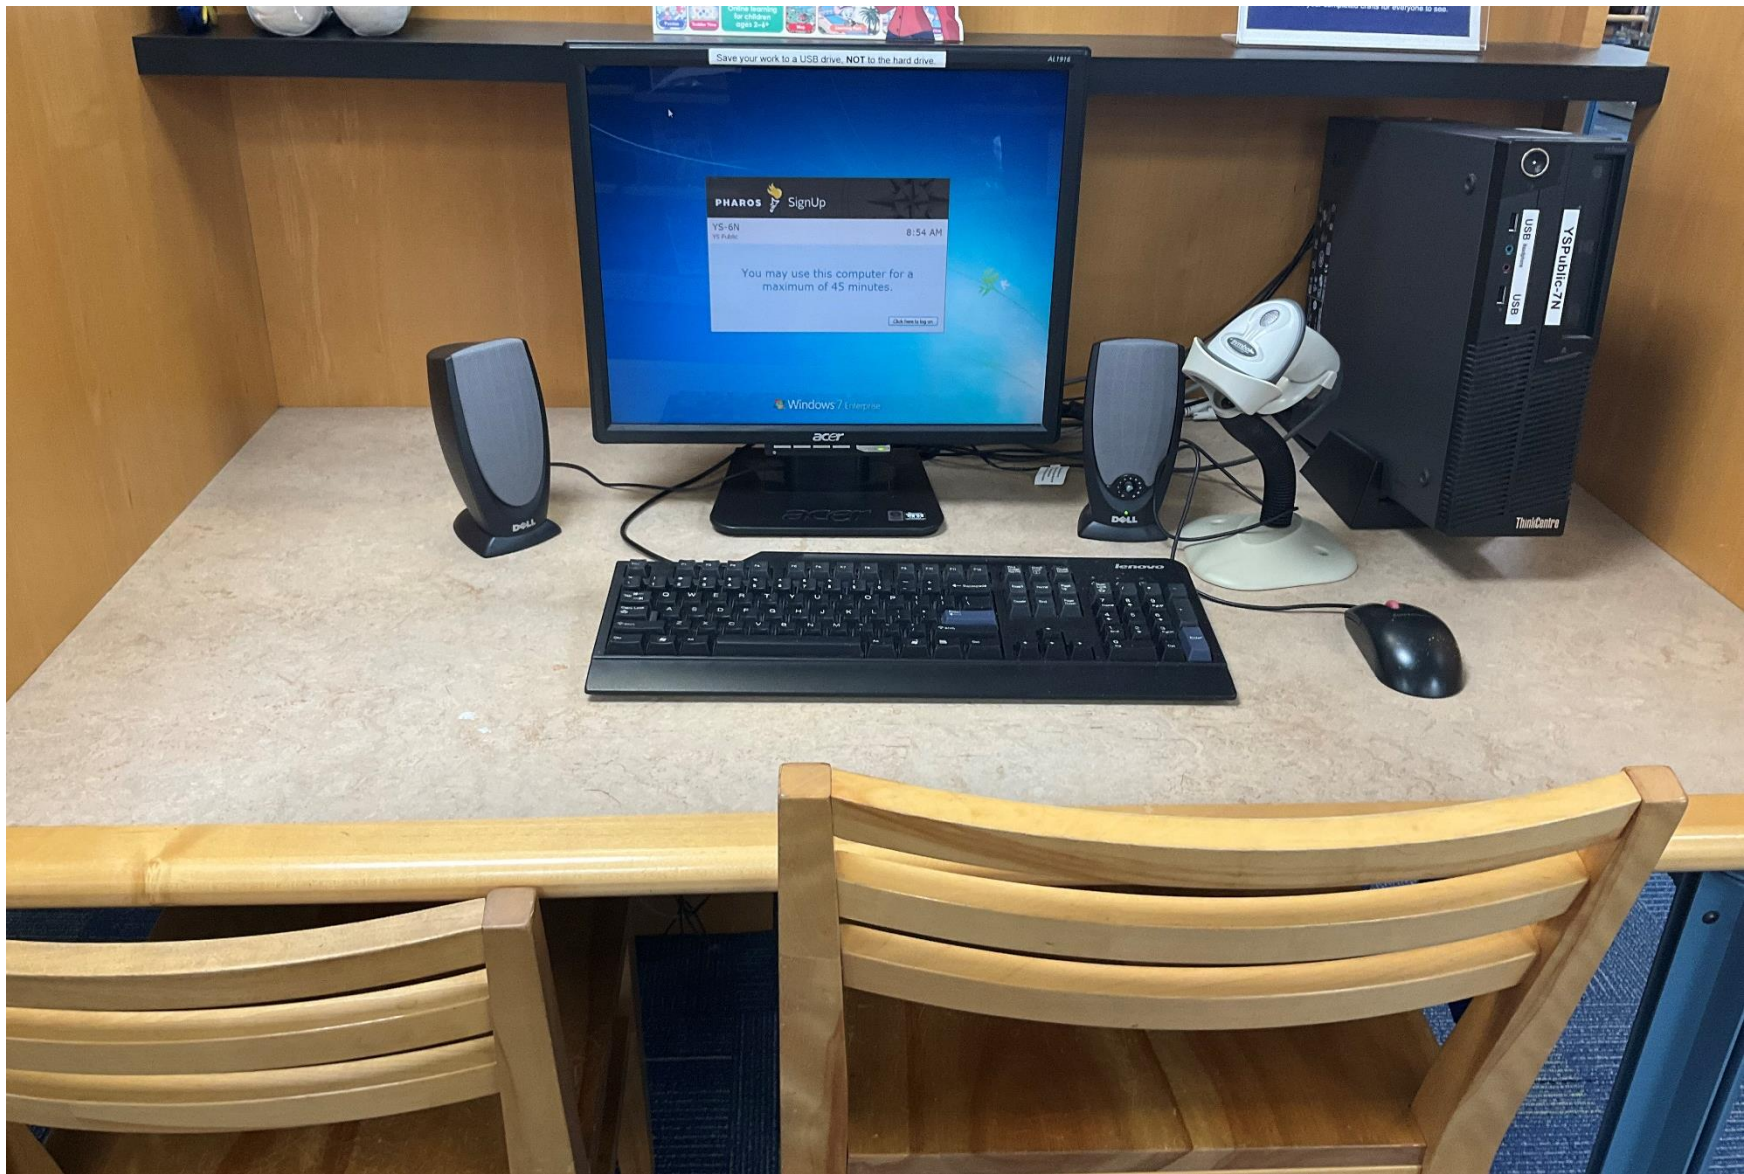

I can play in this room.

I can play here too.

I can read and relax.

I can use the computer to play a game, look up information, or do homework.

I might go to a library program in this room.

I might go to a program in this room too.

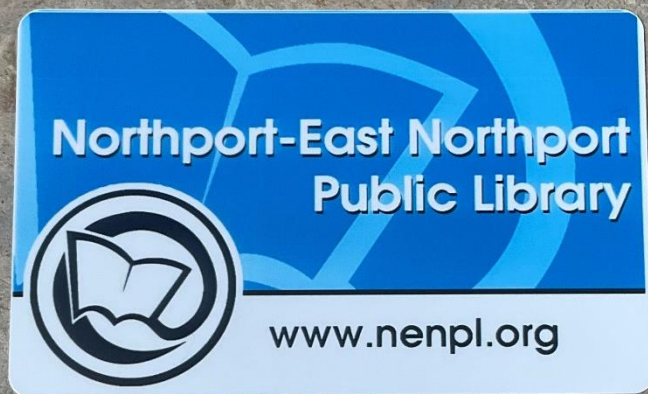

**I can use the bathroom near
the Children's Room.**

If the weather is nice, I can sit in the courtyard.

If my grown-up lets me, we can go upstairs to get a snack or a drink at the café.

This is my library card.

I can use my library card to check out books, movies, and many other materials.

**I can check out and return materials at the
Circulation Desk.**

I can't wait to come back to the library!
