VIII. DIRECTOR'S REPORT

Administration

The contractor that will be installing the Electric Vehicle Charging Stations at both buildings has performed a site review and we anticipate work to begin in the next few weeks.

New concrete sidewalks connecting the emergency exits to the parking lot at the East Northport building have been completed. The improvements to the stairs at the Larkfield entrance and stucco on the foundation have been completed. A number of new exterior handrails are being fabricated for the staircases at East Northport.

Requests for bids to replace four restrooms in the Northport building are being solicited.

Adult and Teen Services

Staff has been using Vega Discover, the new catalog interface in preparation for a future public release. Vega Discover will create an engaging library experience and encourages further exploration through enhanced discovery tools. We are awaiting an important issue to be addressed before we introduce this interface to the public.

Buildings and Grounds

The Circulation Desk walls in East Northport have been improved and repainted and now features a decorative picture rail for hanging of staff-created art exhibits and holiday-themed displays.

Children and Family Services

In the past our librarians went to the *Special Education Parent Teacher Association (SEPTA*) to present resources the library has available but this year they came to us! The library staff demonstrated our databases such as *Brainfuse* and *Live-brary* while highlighting unique features that made these resources more accessible.

The *Campfire Tales* program gathered families around a campfire, displayed virtually on the screen located in the *Cove* while the lights in the room were out, while slightly spooky stories were read to them.

The Halloween Storytime and Parade featured a festive storytime with spooky tales and silly songs and dances. They finished the program with a Halloween parade through the library. Two-hundred-twenty-six children and their adults dressed in an array of clever and colorful costumes.

Community Services

The No-Carve Pumpkin Display was a huge hit among the staff and patrons! Every year the ideas get more and more creative. Thanks to both the librarian in charge of gallery exhibits for organizing and Building and Grounds staff for their assistance in picking up the pumpkins.

The flu shot clinic for staff required a bit of last-minute reorganization. The *Visiting Nurse Service* called that morning to say they had a supply shortage and would not be able to accommodate

all who had signed up. Fortunately, CVS was on-site for the Job Fair, and their nurses were able to vaccinate a number of staff that morning.

Eighteen individuals have already had appointments with the social worker available on Thursdays at the library. Flyers in English and Spanish have been sent to the *Town of Huntington* promoting this new service available at public libraries in the *Town of Huntington*.

Sixty-seven patrons joined *The Island Hills Chorus* and it's cast of characters on a musical journey as a septuagenarian shared her memories of friends made from childhood and the teen years, through middle age and the senior years.

Carl Safina, ecologist, author, founding President of *The Safina Center*, and the first *Endowed Professor for Nature and Humanity* at *Stony Brook University* discussed his newest book, *Alfie & Me: What Owls Know, What Humans Believe* with 65 patrons in attendance. This book is a moving account of raising, then freeing, an orphaned screech owl, whose lasting friendship illuminates humanity's relationship with the natural world. This program was sponsored by the *Friends of the Library*.

Customer Service and Materials Management

Our Customer Service and Materials Management staff hosted the Library Director and a number of the staff from the South Huntington Public Library to see how combining the talents from both the former Circulation Department and Technical Services Department has benefited the staff and the patrons of our library.

The Middle Country Public Library will be hosting our Customer Service and Materials Management staff to learn how they scan, organize and access patron library card applications using an online database.

Network and Systems

The server room in the Northport building is continuing to experience cooling issues and repeated service calls have only yielded temporary solutions. A replacement to this crucial component will be needed soon and estimates are being sought.

IX. PERSONNEL REPORT

Mrs. Hartough moved to approve "B. New Employees" in the personnel report, seconded by Mrs. Elsas and unanimously carried.

Mrs. Elsas moved to approve "E. Other" in the personnel report, seconded by Mrs. Herskowitz and unanimously carried.

Mrs. Elsas moved to approve "C. Resignations" in the personnel report addendum, seconded by Mrs. Herskowitz and unanimously carried.

Re: SCLS Proposed FY 2025 Budget

Enclosed with this memo is the **Proposed SCLS FY 2025 Operating Budget** for your review and consideration.

At its meeting on November 4, 2024 the SCLS Board of Trustees approved the enclosed SCLS FY 2025 Operating Budget and authorized its submission for member library approval. In order for this proposal to take effect more than 2/3 of member libraries must vote to approve the proposed budget before December 31, 2024.

Attached to this memo are the final proposed SCLS FY 2025 Budget, a final proposed Member Support Chart, and your budget ballot. Please print the ballot out and use it to record your library vote.

To gain a full understanding of this proposed budget, and its impact on the member libraries, we ask that you review both this packet and the previously distributed "draft" budget packet that was dated October 1, 2024.

There have been some changes made from the "draft" budget that was distributed in October. The changes are based upon additional information and feedback that we have received subsequent to the "draft" budget being developed. The reasons behind each change are listed below.

Income

1) A number of State Aid State categories (N.Y. State, LSSA, Outreach, SCLS:CLA, LLSA, CLA, Dedicated Library Aid) have been adjusted to better reflect our anticipated aid from New York State in relation to what was actually received in 2024. SCLS runs on a January 1 fiscal year and often does not receive any aid payments from NYS until the late summer and often (like this year) does not receive final aid payments until after a subsequent year's budget must be completed. That makes estimating revenue from NYS challenging.

2) SCLS: CBA has been integrated (by NYS) into the SCLS: CLA line and one of the Dedicated Library Aid (Grants) has been integrated into Outreach aid.

Expenditures

- 1) SCLS has reclassified a number of employees from Staff P/T to Shipping & Maintenance to better reflect the work that they do.
- 2) Certain Aid lines under Direct Offset (LLSA Member Libraries, CLA/CBA Central Library, CBA Materials, and Dedicated Library Aid) have been adjusted to offset the changes in the State Aid lines on the revenue side of the budget.
- 3) A number of lines (Office & Lib Supplies, Telephone, Travel, Programs, Professional Development, and Water) have been adjusted a small amount from the first draft based on newer cost estimates.
- 4) Contract Services has been increased from the first estimate due to costs related to lawn and sprinkler maintenance after a season where we did none of either while undergoing exterior renovations.

The bottom line after these changes have been made is that the overall SCLS 2024 Budget is projected to increase by 1.83% (\$298,543.) The operations side will increase by 5.14% (\$368,304) and the Direct Offset side will increase by 0.62% (\$55,239) and no fund balance transfer is planned in 2025.

Member Support, overall, will increase 1.5% (\$35,728) in 2025.

We are often asked why every library does not have the same percentage change in member support. Member library financial participation is determined by a formula that includes the library's service population and the library's expenditures for the prior year (2023.) If your library's disbursements (less capital expenditures and debt service — as defined in your New York State Annual Report) increased more than the County average then your contribution change will be greater than the average. The version that is enclosed with this memo is the final member support chart for 2025.

If possible, please address this issue at your next Board meeting and return the enclosed ballot to SCLS before December 31, 2024. Should you have any questions, please feel free to contact me.

Thank you for your continued support of our collaborative efforts.
